

Portland Limos

Prom Contract

The Prom is often the focal point of the student's year and as such we promise to provide the highest quality service possible to all young adults and their parents or legal guardians. One way in which we do so is to provide a clear understanding of what is expected from our younger passengers. We do this to make sure that this special event can be as fun as possible while also being safe.

The consumption of any alcoholic beverages or tobacco product is unlawful when consumed by a minor. There will be no alcoholic beverages transported in the passenger compartment or any other compartment of the limousine. There will be no smoking allowed inside of the limousine. This rule shall apply to any and all other illegal substances. If, at anytime, any of the passengers are found to have in their possession, or have been at anytime during the course of the service, been consuming any alcohol or an illegal substance the service shall be terminated. Any and all monies shall be forfeited and the parent shall be notified. The Chauffeur will immediately return all passengers to the point of pickup safely and ensure an adult is present before leaving the premises.

To guarantee all participants' safety, the privacy partition will remain down so that the Chauffeur can remain in eye contact with all passengers at all times. There will be no horseplay inside the vehicle, and no vandalism or theft will be tolerated. Any serious infraction of these rules will result in the termination of service, surrendering of all monies and fees, and return to point of pickup. The Chauffeur is a professional, and will treat all passengers with respect. In doing so, the management also expect all passengers to treat the Chauffeur and the vehicle with the same impeccable respect. All damages will be assessed at the end of service, and any applicable fees applied.

All passengers must sign this contract, and provide a name and contact information for one parent or legal guardian.
